

25 YEAR RE-REVIEW

60-1806

Dear [redacted]

Many thanks for your letter of 4 March, and for calling to my attention [redacted]. I asked Kirk to check on this. He advises me that [redacted] was interviewed on 24 February and that several of our units are very much interested in him. He has a very impressive background. I will keep you advised of the progress of this.

I am sorry to hear that [redacted] is not well, but maybe the sun and the transfusion will help. Clover joins me in sending love to you and [redacted].

Sincerely,

SIGNED
